

# EMERGING LEADERS

AN INITIATIVE OF HDA'S CONVENE

## Preparing the best and brightest of today, to shape the pharmaceutical supply chain of tomorrow.

To develop the next generation of supply chain leaders, the Healthcare Distribution Alliance (HDA) created the Emerging Leaders program to engage, inspire and cultivate the future leaders of the health delivery sector and prepare them for the challenges of tomorrow. All participants will enjoy access to exclusive event discounts, real-world experience and in-depth industry insights. By joining this program, you will have an opportunity to learn more about HDA and how to more effectively use the tools we make available to guide your career development to the benefit of the company you represent. You also will gain access to an expanded network of peers that represent the many different segments, regions and companies that make up our industry.

### BENEFITS OF PARTICIPATING IN THIS PROGRAM INCLUDE:

- ✓ Reception with executive members during the Distribution Management Conference and Expo (DMC)
- ✓ Conference registration discounts
- ✓ Unique opportunities to connect with the Industry Relations Council (IRC)
- ✓ Professional development educational sessions specifically designed for emerging leaders
- ✓ Community engagement
- ✓ Scholarship opportunities
- ✓ Mentoring
- ✓ Online resources
- ✓ Networking events

## Complete the application to be a part of the Emerging Leaders program!

### EMERGING LEADERS REQUIREMENTS:

- Must be 39 years old or younger;
- Company must be an active HDA member;
- Support from applicant's supervisor; and
- A completed application form, with answers typed or printed clearly.

### ABOUT THE HEALTHCARE DISTRIBUTION ALLIANCE

The Healthcare Distribution Alliance (HDA) represents primary pharmaceutical distributors — the vital link between the nation's pharmaceutical manufacturers and pharmacies, hospitals, long-term care facilities, clinics and others nationwide. Since 1876, HDA has helped members navigate regulations and innovations to get the right medicines to the right patients at the right time, safely and efficiently. The HDA Research Foundation, HDA's nonprofit charitable foundation, serves the healthcare industry by providing research and education focused on priority healthcare supply chain issues.

### ABOUT CONVENE: HDA'S PROFESSIONAL DEVELOPMENT PROGRAM

Convene, HDA's professional development program, brings together the industry's top supply chain executives and future leaders alike to inspire growth and share insights for developing a distribution-sector career. The professional development program features live and virtual events and opportunities throughout the year.
